

May 10 - 11, 2001

Crystal City Hilton Hotel at National Airport • 3399 Jefferson Davis Highway • Arlington, Virginia

Participant Feedback Form

Your feedback will assist us in determining the usefulness of meeting formats such as the Reducing Tobacco Harm Conference. At the conclusion of the conference, please review and answer the questions posed to you below and place in the participant feedback boxes strategically located in the meeting room.

1) Was the conference format conducive to contributions made by the audience?

2) Did the conference provide information that was useful to you?

3) Did the conference meet it's goals of addressing priority research questions?

4) Were there any issues that you thought were important that were not addressed in this conference? If so, what were those issues?

PM3001144214

5) Were there any research priorities that were not addressed at this conference? If so, what are those research priorities?

6) What would suggest as future conference topics in the area of reducing tobacco harm?

7) Do you think industry should work with academic researchers?

8) Was the logistical information provided adequate and were the logistical staff helpful?

9) Were the hotel accommodations and services adequate?

Thank you again for your feedback. We look forward to sharing the conference proceedings with you.
